REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

In view of the applicant's response and interview conducted on 2/24/2004, the prior art of record is withdrawn.

The prior art of record utilized against present claims does not incorporate degasification carrier into the process. The degasification in the prior art of record is obtained by removing gases from the reaction vessels by other means such as vents, deodorization equipment or burning. None of the disclosures teach use of carriers to remove produced gasses.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Katarzyna Wyrozebski whose telephone number is (571) 272-1127. The examiner can normally be reached on Mon-Thurs 6:30 AM-4:00 PM.
